

Hazard Mitigation Plan Review

Arapahoe County Sheriff's Office, Training room #1

13101 E. Broncos Pkwy., Centennial

August 29, 2019

10:00 – 11:30 AM

1. Introductions Fredrickson
 - a. Name
 - b. Jurisdiction
 - c. Role in the planning/maintenance process
 - i. See sign-in sheet

2. Grant Updates All Partners
 - a. Jurisdictions with submitted projects
 - i. Jason talked through a previous grant project for mitigation around Broncos and Parker (near Tagawa Gardens on the Cherry Creek). Worked with Open Spaces and R&B on populating the grant.
 1. *Jonah from Centennial mentioned the majority of that work has been completed by the city of Centennial.
 - b. Jurisdictions with suggestions for future projects
 - i. Updating land use for planning – Arapahoe County
 - ii. PDM/FMA grants – State received info, Sept 29th – early January.
 - iii. General discussion around special districts, authorities, etc. and eligibility around matches and ability to get FEMA grants.

3. PowerPoint/PDM and FMA grants Thompson
 - i. Mark Thompson gave an update regarding the local hazard mitigation planning process. See PPT presentation.
 - ii. Confirmed Arapahoe will be doing the HMP without a consultant.

4. Timeline for 2020-2015 update Cappel
 - i. Ashley walked through the planning timeline. Stressed the need to have overall goals and some specific objectives, as well as participate in the entire process.

5. Status update of Mitigation Strategy Spreadsheet Fredrickson
 - a. Has the nature or magnitude of hazards affecting the County changed?

- b. Are there new hazards that have the potential to impact the County?
- c. Do the identified goals and actions address current and expected conditions?
- d. Have mitigation actions been implemented or completed?
- e. Has the implementation of identified mitigation actions resulted in expected outcomes?
- f. Are current resources adequate to implement the plan?
- g. Should additional local resources be committed to address identified hazards?
 - i. Jason will send out spreadsheet of projects for updates.

6. Other topics/open discussion

Fredrickson

- 1. There was a quick discussion around adding human caused hazards to the HMP to satisfy EMAP standards.

Next meeting will be January of 2020.
