Urban Sophisticats, located at 5788 S. Rapp St., was recently featured in the Your Hub section of the *Denver Post*. The first and only grooming salon in the state just for cats opened the first of October. It is owned by Rachel Diller (NCMG, CFMG), who is also the owner of The Poodle Shop in the Woodlawn Shopping Center, which she opened in 2005. Along with the many dogs that are groomed there, Rachel also groomed cats for which she had trained. As time went by she decided that cats deserved a spa of their own where they could enjoy a dog-free—and therefore—less stressful experience. In this new atmosphere the cats are less tense and Rachel has more time to train them to not only accept, but to enjoy the grooming process that contributes to their good health. With very few exceptions, her more than 250 current clients enjoy sedation-free services. An open house is scheduled for Friday, Nov. 29 from 10 a.m. to 8:00 p.m. 303.730.2102; urbansophisticats.net
