

Permit Type: ELECTRICAL

Permit Sub-Type: RESIDENTIAL STAND ALONE

You are applying for an Electrical-RESIDENTIAL STAND ALONE permit.

**Definition:** Not part of a larger project (e.g., the only work is service change, temp service, electrical hookup to furnace, air conditioner or fireplace insert).

Submittal Requirements:

- Applicant name, phone number, email
- Contractor (must be a State Licensed Electrical Contractor to perform electrical work)
- Description of project
- Valuation (contract value)

Applicable Code:

2014 National Electric Code
